

JLC Agenda

October 20, 2020

1. Attendance and Welcome
2. Introduction to Administrators:
 - a. Ms. Martha, Library Director
 - b. Mrs. Dunn, Reference Librarian
 - c. Mrs. Gargano, JLC Activity Coordinator
3. Program Overview - a review/explanation of the JLC Guide Book
4. Highlights:
 - Must register for each meeting on the “Full Calendar” or “Volunteering” web page.
 - Commit to an activity each month and complete it then, if applicable, send me proof/documentation via e-mail. There are suggested activities and some mandatory ones. You can also work independently on a project such as for Scouting.
 - Choose one activity per month so that you are not overwhelmed and you complete the activity properly. You are expected to complete a variety of activities not just write 12 Gaming reviews. Activities listed have you experience: Leadership, community engagement, environmental/science participation, writing, understanding of local government/civics, etc. New activities will be added as we move along in the program.
 - Mrs. Gargano will track your volunteer hours on an Excel spreadsheet. Each month she will also provide you with an update on the total number of hours you have earned. This is why it’s essential that you communicate with me about your chosen activity or project each month.
 - If three or more of you decide to work on a group project, then you will be assigned a mentor, either Mrs Dunn or Ms. Martha, to guide your project.
 - Homework: Review suggested and mandatory activities, then tell me via email which one you will do by Friday, October 24.
5. Q&A

Next Meeting: Tuesday, November 17 @ 6:00 pm on Google Meet
