During this portion of the meeting, district residents and staff are invited to address the Board of Education on any topics specifically addressed in this agenda or on any other questions, comments, or concerns that may be in respect to the operation of their schools. The Board requests that individuals wishing to speak raise their hand and sign the speakers' list via the chat feature in Zoom giving name and address, and asks that all remarks be directed to the Board as a whole (not to individuals). The Board asks that members of the public be courteous and mindful of the rights of other individuals when speaking. Specifically, comments regarding personnel matters are discouraged and cannot be responded to by the Board. Students and employees have specific legal rights afforded by the laws of New Jersey. The Board bears no responsibility nor will it be liable for any comments made by members of the public. If a matter concerning a district staff member is of interest or concern to a resident, the matter should be referred to the responsible Building Principal, Superintendent of Schools, or the Board of Education, either by telephone, letter, or email.

Although the Board may not respond to items raised during the public forum, all public comments will be considered and may be discussed tonight under the appropriate agenda items or "new business" at this meeting, at subsequent meetings under "old business," or during a Board committee meeting, if appropriate.

Each speaker's statement will be limited to five (5) minutes in duration. The Public Forum will be limited to one (1) hour in duration.
